

# Would you wear a shoe without a sole???

...So why would anyone wear a CPAP mask without a Face Cozy?

- Protects skin from irritation and strap indentations
- Helps eliminate dry eye issues from air blowing into the eyes
- Protects from buildup of oils on the skin
- Washable – reusable
- No elastics, straps or hair bands
- Increases the comfort of CPAP therapy

Face Cozy International

Design Patents: Canada #160234 USA #735,316

*The soft solution for strap indentations and skin irritation from CPAP therapy masks.*
